## ▲ First edition of the JA Namibia newsletter!

Dear recipient,

Please let us introduce you to the first edition of the JA Namibia newsletter! We will use this medium to periodically inform you about developments at JA Namibia.

Currently, our staff is busy rounding of the year. The year 2009 was a success for us! Some milestones include a successful execution of the JA Company program, the induction of three laureates in the Namibian Business Hall of Fame, a fantastic winter school and leadership camp, many new business volunteers and new investors. A Success Stories brochure is now available on [www.ja-namibia.org](http://www.ja-namibia.org) under brochures, or in hardcopy from the JA office.

We wish you happy holidays, and hope to see you again in 2010!

**Happy Holidays, Sanne Steemers**—Programs Director, Junior Achievement Namibia

JA Namibia is now open for nominees to be inducted in the Namibian Business Hall of Fame 2010. Detailed criteria and the nomination form can be found on [www.ja-namibia.org](http://www.ja-namibia.org) under downloads. The deadline for nominations is 31 January 2010.

## ▲ A total of 42,143 learners were reached in 2009!

During 2009 JA Namibia trained learners throughout the country in the JA Company Program. Other JA Programs such as 'Meerkat' Job Shadowing, "Inspire Entrepreneurship in a Day!", JA Winter School and JA Leadership Camp were attended well and supported by the business community in Namibia.

The skills imparted with by JA Trainers led to market research, defining a product or service and setting up of several JA Mini-Companies at schools. In total 42 143 learners participated in JA

Programs. The business volunteers working with JA Namibia is the pillar behind JA's success. JA could not do it without you.

"Inspire Entrepreneurship in a Day!" attracted business volunteers who wish to give back to their communities by sharing their experiences at a class level.

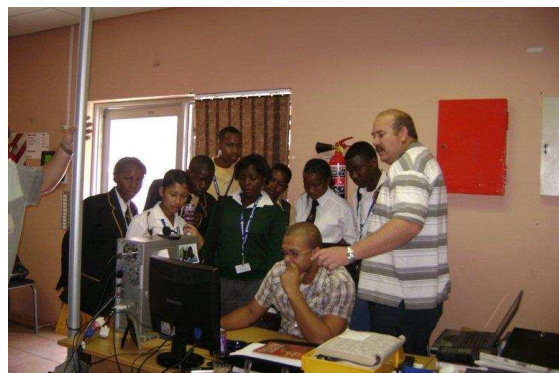

We thank the corporate investors for their contribution in building the young people to become responsible and business minded citizens.
